Summer Programme 2016

HYB LINEAR TRAINING

We are holding an HYB Linear Training evening, by kind permission of Messrs Williamson, Inglewood House, Calthwaite.

The evening commences at 19.30, Held on Thursday 30th June. The evening commences with a demonstration on Linear Assessment by Richard Graham, who will take you through the elements of Linear.

A team for the National Stockjudging and Linear will be based on the night results. All welcome to attend whether you have done Linear before or a complete beginner.

SUMMER HERD COMPETITION

Also attached is the entry form for our Summer Herd Competition.

We have a fantastic judge with Mr. David Wright Berryholme Prefix

The herds are divided into small & large herds - and animals are to be shown unclipped and unhaltered. As well as individual and progeny classes.

The winner goes on to represent the club in the National Premier Pedigree Herd Competition

Please get in touch if you have any questions.

**A COMPETITION OPEN TO ALL MEMBERS WE

CLUB SALES

The Border & Lakeland Club have 14 sales during the year including a monthly sale intended to market freshly calved cows and heifers and two bull sales held in April and September. The monthly sales take place on the third Wednesday of the month at Harrison & Hetherington, Carlisle.

Consigning animals to these sales is a very easy process and can be done by text, email or on the phone. Ear-tag and calving date is all the information required. We can also provide additional help to anyone requiring assistance with regards to sale preparation.

A sale catalogue is produced for each sale with all pedigree & milk recorded data included, this is posted to hundreds of dairy farmers in the UK.

Prize money is awarded to animals taking part in the pre-sale show which normally includes classes for cows, senior heifers and junior heifers.

The club sales remain a very valuable income resource for the club and we would welcome and encourage everyone to make use of the sale. In today's challenging marketplace the premium from pedigree has never been so important. It has been encouraging to see the premium for pedigree animals in our monthly sales in the past twelve months average £300 above non registered animals and in some occasions even more.

We look forward with your help to seeing continued growth and development of our sales. For more information please contact Glynn Lucas 07711610255
