

SUMMER HERD COMPETITION RESULTS 2022

The most anticipated competition of the year took place the week commencing 18th July 2022 to decide who would be the Border & Lakeland representative in the 2022 Premier Herd Competition. This year we welcomed Malcolm Dyson former Holstein UK Classifier, a well respected gentleman of superior knowledge. A fascinating three days were spent traveling around the members farms analysing top class cows and herds a spectacle for anyone to see. One of the main highlights for Malcolm was the senior Cow class miniscule points separated them all, a fantastic advertisement for the breed and a testament to the breeders, Lillyhall Bookem Margo was the overall winner of this class, well done Matthew and Ruth Harper.

A massive congratulations to the Stowbeck Herd for Len & Chris Wilson Skirwith Hall Farms Ltd this herd was our overall winner and will now go forward to represent the area in the Premier Herd Competition. A consistent herd with a very uniform type of cow.

Congratulations to Messrs Harrison LONGBURN Herd it was their very first time entering the competition and took the overall small herd title as well as presenting many favourable individuals.

A huge thank you goes to John Bushby and Ken Mawson for stewarding the competition and to Richard and Louise Fisher who kindly provided the venue for our results evening. There are many more notable cows that could be listed all is revealed below in the results.

Congratulations to all that entered you certainly didn't make Malcolm's job very easy. Good luck Messrs Wilson Skirwith Hall farms in the next round of the competition.

Stacey Creighton (Secretary)
