Late entries will not be accepted under any circumstances. Routing will be sorted out at that time, and entrants contacted. The route will be made available to all members so they can visit the cows after they have been judged. This will take time so no late entries will be accepted – **please contact farm’s to let them know if you plan to visit.**
- 5 Please remember that the stewards have a difficult job to do. Each herd will be assigned a time slot and the judge will be given ample time to look at each entry. However, please bear in mind that the judge and steward have other herds to visit, so please try to keep to times as much as is possible.
Many thanks.
